

### Changes to local bus services in Cornwall from Sunday 20<sup>th</sup> April 2025

From Sunday 20<sup>th</sup> April, customers across the county may see some changes to their services, all of which are to help improve efficiencies and punctuality. Please refer to the table below which contains details for every service in Cornwall, identifying relative changes where applicable, including changes to routes and service numbers.

Service Number	Operator	Route	Changes
1 / 1A	First Bus	Penzance – Lands End – St Ives – Penzance	Formally the Lands End Coaster, this service will continue to operate the winter routing between Penzance and Lands End / Sennen only with an increased frequency for the Summer.  A limited seasonal provision will be made over the Lands End to St Ives section by Go Cornwall Bus as services 7/7A.
2 / 2A	Go Cornwall Bus	Penzance – Mullion School (School Days)	No significant changes.
2 / 2A	Stagecoach South West	Saltash – Plymouth	Route in Saltash revised to operate all journeys on a standard routing and remove some duplication of provision.
5	Go Cornwall Bus	Penzance – Sheffield & Paul	No significant changes.
M6	First Bus	Penzance – Mousehole	Formally the MOUSE service now renumbered as service M6. No significant changes.

			The additional journeys provided during the summer last year on service CAT will not return in Summer 2025.
6	Stagecoach South West	Bude – Okehampton for onwards bus or rail connections to Exeter	No significant changes.
7 /7A	Go Cornwall Bus	Lands End – St Ives – Penzance	A limited seasonal provision will be made over the Land’s End to St Ives section by Go Cornwall Bus in part replacing the Land’s End Coaster.
8	Go Cornwall Bus	Penzance – St Just via Sancreed	No significant changes.
9	Go Cornwall Bus	Mousehole – Penzance (School days)	No significant changes.
10	Go Cornwall Bus	Plymouth – Looe – Polperro	The timetable for this service is revised to improve reliability. No additional journeys will be added to the service during the peak summer following poor usage in 2024.
11	Go Cornwall Bus	Padstow – Wadebridge – Bodmin – Bodmin Parkway – Liskeard – Plymouth	The timetable for this service is significantly revised with the service primarily operating two distinct sections. Padstow to Bodmin Parkway and Dobwalls to Plymouth reflecting where the significant passenger flows lie on the route. Passengers from Liskeard and Dobwalls wishing to access Trago Mills can continue to do so on service 77.  Frequency between Bodmin Hospital and Wadebridge is reduced to 1 bus per hour from the current 2 reflecting levels of passenger use. Service 26 will

			<p>provide the second bus per hour between Bodmin Parkway and Bodmin Town Centre/Hospital</p> <p>These changes will remove the restriction to providing Double Deck vehicles on the busiest journeys into and out of Plymouth.</p>
12	Go Cornwall Bus	Plymouth – St Dominick (12A) – Callington – Launceston – Bude	<p>The timetable for this service is significantly revised and the service split into three sections reflecting where the significant passenger flows lie on the route.</p> <p>Bude to Launceston will be the service 76, Launceston to Callington will be the 76A and Callington to Plymouth stays as service 12. The overall level of service will remain broadly similar to now with connections provided between each section. Some key journeys at peak times will continue to run through without a need to change bus.</p>
15	Go Cornwall Bus	Gwithian – Hayle Town – St Erth – Penzance	The first and last journeys on the timetable are removed due to very limited passenger use.
