Hello

Transport for Cornwall is the partnership between Cornwall Council and transport operators across the county – including our bus companies.

Our local community is at the heart of every decision we make. We're committed to working together to bring you a more reliable, cost-effective and straightforward service – making our network the transport of choice.

An improved travel experience makes it easier for people to travel for work, education, leisure or shopping, or simply to explore our wonderful region.

Not only that, but by connecting more people with more places, we're giving local businesses a boost, and helping our economy to thrive.

By bringing our route maps and timetables together in this one book we hope you'll find it easy to see where and when you can go by bus.

Because when more people make more journeys by bus, we all benefit from cleaner air and less congested roads - making Cornwall a better place for us all.

*All timetables are valid for the life of this booklet. However sometimes services have to be changed at short notice e.g to match school times and the law allows bus services to be introduced varied or withdrawn at 70 days notice. While every effort has been made to ensure the timetable information is correct at the time of going to press neither the county council nor the operators can accept liability for inaccuracies or subsequent inaccuracies or changes to routes or times. Any complaints about services or suggestions for changes should be sent to the operators.
