

Cornwall bus network improvements from **26th July 2026**

Transport for Cornwall remains committed to delivering a reliable and convenient bus network for communities across the county.

From **26th July 2026**, a series of service changes will be introduced. These updates will take place earlier than the usual September service review, giving passengers more time to plan ahead. The changes are in addition to the previously announced summer service enhancements.

Many of these improvements have been made directly in response to customer feedback, particularly regarding service timings and route coverage. Our aim is to better meet the needs of passengers and improve overall journey experience.

Further details of the changes can be found below:

Service Number	Operator	Route	Changes
1 / 1A	Go Cornwall Bus	Penzance - Newlyn - St Buryan - Lands End	Revisions to timetable following introduction of one-way loop through Paul.
